# Empower Merchants to Transform Their Businesses and Grow Without Limits.

Poynt's Revolutionary Platform Delights Merchants and Unlocks Reseller Revenue

Innovation requires more than just a piece of hardware. It demands a solution that addresses your complete need—one that processes payments quickly and simply, has a user- and employee-friendly interface, and provides 24/7 analytics and reporting. With Poynt, your merchants make connections, build community, and foster long-term relationships.

Why Do Leading Resellers Choose Poynt?

A modern turnkey solution

Enjoy happier merchants and increased revenue with a system that's easy to set up, use, and customize.

Future-proof payment processing

Whether it's a two-screen tabletop terminal or the sleek mobile device, we have hardware that works for your merchants.

Remarkable customer experiences

Curated, third-party business apps unlock productivity and enhance customer retention.

Robust reporting features

Settle the day in a single click, send sales data to QuickBooks, streamline repetitive accounting tasks, and make time to grow your business.

Versatility

Use familiar POS solutions such as NCR Aloha, Micros, and Dinerware, and extend your investment through the Poynt App Center.

Simplified management

Gain real-time access to merchant activity and troubleshoot questions before they become problems.

Reliable security

Rest easy with fully protected and PCI-compliant payment data and customer information.

24/7 support

Reach out any time, any day to a dedicated reseller account manager and get answers or troubleshoot issues. You don't clock out at 5 p.m., and neither do we.

Poynt Is an Elegant and Powerful Force for Your Merchants.

Poynt OS

This open operating system can power any smart payment terminal worldwide.

The Smart Terminal and Poynt 5
